In conformance with the West Boylston Zoning Bylaws, Section 3.6 Site Plan Review, the Planning Board of West Boylston, Massachusetts hereby certifies that at a duly called and properly posted meeting of said Planning Board, held on February 24, 2010, the Board voted to **Issue a Certificate of Completion for The American Red Cross Chapter Headquarters – Parking Lot Expansion**. The Planning Board of West Boylston issued the *Certificate of Final Site Plan Approval* for this Site Plan on January 9, 2009. The Board's decision is based on the Engineer's Certification, stamped by John E. Bensley, P.E., dated February 1, 2010, and the Existing Conditions Plan submitted by Beals and Thomas, Inc. dated February 1, 2010, which verified that the site was determined to be in general accordance with the approved design plans.
