## OPEN MEETING LAW CHANGES

On March 12, 2020, Governor Baker issued an Executive Order modifying certain requirements of the **Open Meeting Law**, to enable public bodies to carry out their responsibilities while adhering to public health recommendations regarding social distancing. <https://www.mass.gov/the-open-meeting-law>

The Order relieves public bodies from the requirement in the Open Meeting Law that meetings be conducted in a public place that is open and physically accessible to the public, provided that the public body makes provision to ensure public access to the deliberations of the public body through adequate, alternative means. The town has enabled a GoToMeeting account for use by anyone to access the meeting:
