

Dear West Boylston School District Families.....

We hope summer is treating you well. The 1st day of school is coming up on the horizon. That means it is time to start the school year off right and show our teachers, administration and staff for both schools our appreciation by hosting the Annual District Luncheon. The luncheon on Tuesday August 30th from 11:30 am to 1 pm.

We need YOUR help in making this possible. Without your support events like this are hard to pull off.

We have a sign up genius that you can go look at and see how and if you can help. Whether you make your dish from scratch or have to purchase it we don't care. As long as it is yummy.

Click [HERE](#) to see where you can help.

All the details for date and drop off times are listed on the sign up genius as well as contact information.

Have a great day!

Major Edwards PTA and the M/H PTA
