

The Beaman Oak Garden Club along with the WBAF
Are sponsoring the 5th annual

West Boylston Fall Fest
Saturday, October 1, 2016 10-4:00

We are inviting families to participate by purchasing a scarecrow frame that they will assemble and decorate themselves and will be displayed on the common.

Scarecrows can be purchased by individuals, *groups*, teams, clubs, **businesses** and families.

The frames are already assembled and ready for your creativity. Have fun with it and let's make this a community event.

Plan to stay the day! There will be entertainment, children's activities and great food.

Your scarecrow will be installed on the common on Saturday the 1st with the help of a committee member.

Scarecrows will remain on the common for the month of October so they must be able to withstand the elements. **No perishable goods are permitted (i.e. pumpkins, squash, etc. for the attachments).

Scarecrows must be removed by **November 1st**. Personal items must be retrieved and frames will be collected by the committee. **Please collect your belongings regardless of whether you want anything saved.** It is a lot of work to disassemble them all on our own.

.....

Yes, I want to participate _____ Name _____

Number of scarecrows \$10 each _____

Please include your payment with this registration. Checks may be made payable to the **Beaman Oak Garden Club**. You can return your registration to the Edwards Elementary office, WBMHS office, mail to Erin Beardsley 55 Hosmer St West Boylston MA 01583 or attach to an email to Erin Beez@aol.com
