

## Health and Dental Insurance

Retiree billing for health and dental insurance is issued on a quarterly basis.

These bills will be mailed to the retiree's residence. (Sorry, we do not have the ability to email bills at this time.) Invoices are issued one month prior to the quarter and are due before the quarter begins.

Months of Insurance Coverage	Invoice Date	Due Date
January, February, March	December 1	December 31
April, May June	March 1	March 31
July, August, September	June 1	June 30
October, November, December	September 1	September 30

The Town contribution portion of your health and dental insurance will depend upon the health insurance plan that you have selected. Please refer to the current [rate sheets](#) for this information. You can view them on the [Health Insurance Premium Rates](#) page or contact the Town Accountant's office.
