Dear Taxpayer,

The Massachusetts Department of Revenue has received and reviewed the Statement Relating to Manufacturing Activities, Form 355Q, filed by the above named corporation.

We are pleased to inform you that said corporation will be classified as a manufacturing corporation for purposes of state and local taxation. In the absence of any significant change in activities, this classification will take effect as of January 1, 2013. If the nature of the corporation's activities change significantly at any time in the future, you must reapply for the classification.

If you have any questions, please call Stephen Doucette at (617)887-6928.

Very truly yours,
