**Welcome – Call to Order**

**Time: 6:30 pm**

The Board is meeting prior to town meeting to discuss any updates to motions or any town meeting items. Updated motion packets were distributed. Ms. Scheipers reports that the Moderator is fine with the amended verbiage on the truck vehicle article. The Planning Board felt comfortable changing the weight with the explanation that the GVW includes the potential weight of the trailer with a load. Ms. Everett does not know what the Attorney General is going to do because the article does talk about reduction of the weight of the vehicle. The change was as a result of the public hearing held by the Planning Board and the feedback they received. The Board is comfortable with all their town meeting materials.

Motion to Adjourn at 6:45 p.m.: Mr. Rucho

Seconded: Mr. Crowley

Result: All in favor
