Work Session with ABM to review Measurement & Verification for ESCO Project

Paul Parker, Robert Reddish and Brian Walker joined the Board. Mr. Crowley reviewed his figures and stated strong concerns about the inaccuracy of the Measurement & Verification Report. There was much discussion about how ABM calculates savings. Mr. Crowley does not feel ABM has met their contractual obligations. ABM uses dollar values as courtesy to client only.

After much discussion, ABM was able to explain to the Board's satisfaction that the contract is done by terms and not by dollars. Mr. Walker also stated that Mr. Crowley made a good point and they will look at the reporting methods they use.

Motion to Adjourn at 7:45 p.m.: Mr. Crowley

Seconded: Mr. Rucho

Result: All in favor

Respectfully submitted,
