Fruit trees in the back of the building will be moved closer to the building and the new storage shed in the back.

Limited group activities are still going strong, the waiting lists for these groups are very long and it's nice to see the center being used again.

The drive through meals have been a huge success, the last one will be at the end of this month around Veterans Day.

Coffee/Cocoa and Donut drive through

The center may shut-down classes just before Thanksgiving and re-start them in mid-January

Some building issues have come up as well, the gutters are leaking, and pooling issues in the parking lot, the lawn needs work, and the electricity bill has gone up a bit over the last few months

Motion Seconded- K. Casey
