The minutes for the online Zoom meeting on June 16 were approved 5-0 as moved by Chris Berglund.

Warrant Article 6, FY20 Budget Transfers, was reviewed. Three budget transfers were requested to correct budget overruns; 1) Facilities Management Purchased Services to Medicare premiums \$8,000; 2) Facilities Management Purchased Services to Public Safety Building Supplies \$1,500; and 3) Facilities Management Purchased Services to Fire Supplies \$1,000. These overruns were for ordinary and required expenses. Chris Berglund moved to endorse Article 6, seconded by Bill Fay, the motion was approved 5-0.

Warrant Article 14, Tivnan road town land transfer for a new cemetery, was reviewed. The article was already endorsed by Fincom without any information on the cost of development because of the high cost of acquisition of other land. The Cemetery Commission will investigate the development costs and report to town committees and town meeting. Fincom members agreed that this reasoning should be explained to town meeting when the Fincom endorsement of the Article is given.

Chris Berglund moved to adjourn the meeting at 5:49 pm. No next meeting has been scheduled.
