Hello Nancy and Chris,

Attached please find the December Monthly reports. Essentially there is nothing of concern to note at this halfway point in the Fiscal Year.

I have no current concerns with any of the department budgets, and revenues are on track.

The audit is complete and the auditors are happy with us, the result of our hard work. For the second year in a row, there are no findings. Audit documentation has previously been forwarded to you and is posted on the Town Accountant's website page.

Please ensure these reports are distributed to the Select Board and the Finance Committee members.

Regards, Leslie

Date: January 19, 2022

Subject: Veterans' Service Office Executive Summary for the month of **December 2021**

VETERANS, WIDOWS AND FAMILIES SERVED

The month of December 2021, the Veterans' Service Office concluded with West Boylston serving only 6 Veterans/Widows/Families, with Massachusetts State Veterans Benefits.

The Veterans' Service Department is budgeted for FY2020 at \$120,000 or \$10,000 per month as an average expenditure. I believe that this is GROSSLY overstated. Using FY 2021 performance, I do not expect that the Veterans Service Department will spend more than \$6,500 per month (as long as the number of beneficiaries does not significantly change). This forecast includes the total of both fixed and variable costs (reimbursements of monthly medical co-pays).

• LOOKING FORWARD

Hello Everyone

Here is the latest and greatest from my veterans. We are still down to 6 recipients of chapter 115 state benefits but going strong. As of December, I still had one recipient that hasn't giving me her recert information after being notified 3 months out. I don't see any changes in the near future for now. Lets have a great year.

Respectfully,

David P. Lauzon

Veterans Service Officer
