Agenda

1. Reflection on this year's Turkey Gaggle
2. Proposal for a new service trip through Habitat For Humanity
3. Do high school teachers need further training on how to teach effectively within a 90 minute block?
4. Are high school students being assigned enough homework? We are receiving feedback from parents of high school students that not enough homework is being assigned on a nightly basis. How do we ensure that our coursework is rigorous enough and is preparing our students for the expectations of higher education?
5. Let's create a survey teachers and students about nightly homework to see if the results are consistent? How much is being assigned? How much is being completed?
6. ALICE drill and phase II of our training
7. Important events coming up at our school
8. Other (topics from members of the committee)
