#### **Key Notes:**

##### *Stress with the Schedule:*

- students feeling increased stress with schedule change
- staff seeing less of a stress impact on students

##### Council members:

##### Freshmen:

As a freshman, I didn't have the 4 classes last year. It's not much of a change for me, just because I'm used to it.

I agree. However, it was an adjustment to the 7th block, but I got used to it fast.

##### Junior:

Larger impact will be seen towards the end of the year with exams and classes full year.

##### *Homework:*

- students feel an increase
- staff does not feel an increase (need to think about all classes)

3. Review our final draft of the School Improvement Plan
