Online Claim Reimbursement

To submit a manual claim, select File A Claim from the home page and follow these easy instructions:

1. Select the account to pay from and payee and click Next.

 Click Upload Valid Documentation, click Browse, attach your claim documentation, and click Submit. You may click View Receipts to verify the correct document was uploaded. Click Next to complete the upload process.

IMPORTANT: Claims submitted without substantiation are not processed until substantiation is received.

- Enter the service start and service end date.
 NOTE: Each claim line item must be individually entered.
 Multiple claims submitted as one claim will be denied.
- Enter the claim amount.
 NOTE: This is the amount that is eligible for reimbursement from the Plan. This is not the total amount of the claim billed to the insurance carrier.
- 5. Enter the Provider.
- 6. Choose the service Category code and Type from the dropdown lists.
- 7. Enter a Description (this is required for a category of Other or Over-the-Counter).
- 8. Select the Recipient (the person that received the service). If the correct recipient is not listed, contact your employer to add eligible dependents.

 At this point, you may edit the claim submitted by selecting Update. You may also add another claim by selecting Add Another and select Submit when finished.

Upon submission of claims, a confirmation screen will display with the submitted claim information.
