

Initial Media Announcements

We are planning a tiered/gradual opening starting on Tuesday, June 2nd. Keep reading. We, at Wachusett Earthday, are as eager to reopen and resume our operations as all of you are!! However, we do not want to put either ourselves or you at risk so we are asking that ALL who visit the site adhere to our guidelines and safety requirements which will be prominently posted throughout the site as well as on our website, on Facebook and other sites. We will be starting with the materials and items that are disposed of in the Center Circle (household recycling) and in the North-40 (bulky waste, construction debris, metals, electronics, propane, tires, furniture). Plan to unload your own vehicles - bring another person if you need extra help.

PLEASE FOLLOW ALL SIGNS/DIRECTIONAL INSTRUCTIONS

1. All visitors to the site must wear a mask (all occupants of every car) - those without a mask will be turned away;
2. Please note the temporary change in hours: Tuesday 9 AM until noon, Thursdays 3-6 PM and the first and third Saturdays of the month 9 AM until noon;
3. Only bring materials for disposal or recycling during this first phase;
4. We will not be accepting Re-Use building materials until a later date - watch for announcement;
5. Checks are easier for us since we want to limit contact.
6. Cars waiting in line will be spaced and may be held up at check-in if too many appear to be stuck in either Center Circle or N-40.
7. Visitors are not to linger anywhere on site - there is NO shopping for the present - so that more cars can move through the site.

We hope that a phased-in opening of our site will both keep everyone safe as well as allow for the large volumes of materials that have built up in your basements/garages and storage sheds to be disposed of most efficiently. Please check our website and Facebook regularly for updates as things may change from week to week.

Please do not hesitate to call the Recycle Center 978-464-2854 or email us via our website. We look forward to working with all of you again in the near future and hope that, in addition, some of you will choose to join us as new volunteers!!
