2021.pdf; Monthly Comparative Revenue Analysis.xlsx

Hello Everyone,

I have attached the January 2021 monthly reports.

There are still no concerns on the expenditure side and it is still too early to be able to predict where revenues will end up given the volatility of the COVID impact. I have provided you with the revenue analysis with the details of where we were in January 2020 compared to this January 2021. Nancy has requested Waste Zero to look into why the Pay As You Throw receipts are significantly decreased from this time last year and will inform you in the report following when we receive their response. On the expense side, there is a fair amount of reclassing of Election Salaries/Wages that still needs to take place to the different Grants received, thus the deficit currently reflected is expected to disappear. The Town Accountant Purchased Service budget will likely need a transfer in the future to restore the balance that was expended for the OPEB Actuarial Study. The study cost was \$10,500. I failed to encumber the Town Audit Budget for the OPEB study, so it was closed out to free cash. The services had to be performed in order for the FY2020 audit to be completed. Thus I paid the bill from the Town Accountant budget. I am monitoring the budget to determine the amount that will be needed, as if there are savings in the budget that do not necessitate the full amount be transferred, only the projected shortfall will be requested.

Please ensure these reports and this message are shared with the Finance Committee members. Ray, I will be compiling the special Sewer Enterprise quarterly reports for the FinComm as soon as my workload allows. Unfortunately, the circumstances at Town Hall have thrown an unexpected delay in my progress.

If you have any questions, or need anything further, please do not hesitate to contact me.

Regards, Leslie

January 2021 Vet Office Summary.pdf

Hello everyone.

It's nice to be able to get back to work. Although, I think after the last couple of months, I could use a vacation somewhere. Anyways, I have attached an excel work sheet to the report detailing the differences from what was paid and what the payment was suppose to be. End of December was recertification time and I did not get everyone's info in a timely manner. Then when I did get it in, I had to discharge two veterans for being over in assets. The veterans got paid through 2020 amounts instead of 2021. Then when I got sick again in January with covid-19, we paid them off the same amount for January. The differences are only a few dollars per person so it should work out smoothly. Any questions please ask me. Thank you all...

INTER-OFFICE MEMORANDUM

To: Nancy Lucier, Administrator

Date: February 10, 2021

Subject: Veterans' Service Office Executive Summary for the month of January 2021

VETERANS, WIDOWS AND FAMILIES SERVED

The month of January 2021, the Veterans' Service Office concluded with West Boylston serving only **Eleven** Veterans/Widows/Families, with Massachusetts State Veterans Benefits.

The Veterans' Service Department is budgeted for FY2020 at \$120,000 or \$10,000 per month as an average expenditure. I believe that this is GROSSLY overstated. Using FY 2019 performance, I do not expect that the Veterans Service Department will spend more than \$6,500 per month (as long as the number of beneficiaries does not significantly change). This forecast includes the total of both fixed and variable costs (reimbursements of monthly medical co-pays).

FISCAL YEAR 2020	Y-T-D TOTAL DISBURSEMENTS (Thru 01/01/2021)	AVERAGE PAY-OUT PER MONTH	STATE REIMBURSEMENT (Thru 01/01/2021)	
07/01/2020 to	\$39,270.96	5,610.14	\$29,453.22	
06/30/2021	\$39,270.90	3,010.14	\$29,455.22	

[Reimbursement distributions are made by the state on a quarterly basis]

Year-to-date, West Boylston Veteran benefits/distributions are **FAVORABLE** to the FY2021budget by **\$5,610.14** (after 7 months).

Projections for FY2020

	<u>Monthly</u>	Annualized
FY2020 Veterans Service BUDGET	\$ 10,000.00	\$ 120,000.00
Actual YTD Spend (Monthly Average)	\$ 5,610.14	\$ 39,270.96
YTD Cumulative Surplus or (Deficit)	\$ 4,389.86	\$ 80,729.04

Assuming that the number of Veterans qualifying for benefits does not significantly change from the present enrollment of eleven during final month of FY2020, it is projected that the Department will complete the year approximately 32.73% UNDER budget.

LOOKING FORWARD

Hello everyone. I am back to work from being sick. Now it's about catch up. Coming into January, I had to conduct recertifications and found I had to discharge benefits for two veterans. While dealing with my illness, I got in the veterans recert information a little late. After getting everything finalized, there is a few adjustments have to be made. We had paid some of the veterans with 2020 benefits amount which was more for some and less for others. The same thing happened when I was sick and the payment went out for February. I have put together an excel sheet, outlining the differences and will make the adjustment in March payment. I am sending out notifications to the veterans so they are not surprised by this. See attached sheet for an outlined detail of the money discrepancies. Any questions, give me a call.

Respectfully,

David P. Lauzon
