Departmental Expenditure Report March, 2021.pdf

Hello Everyone,

I have attached the March 2021 monthly reports.

There are still no real concerns on the expenditure side and it is still difficult to be able to predict where revenues will end up given the volatility of the COVID impact. I have provided you with the revenue analysis with the details of where we were in March 2020 compared to this March 2021.

AS I mentioned in the February report narrative, the Town Accountant Purchased Service budget will likely need a transfer in the future to restore the balance that was expended for the OPEB Actuarial Study. The study cost was \$10,500. I failed to encumber the Town Audit Budget for the OPEB study, so it was closed out to free cash. The Services had to be performed in order for the FY2020 audit to be completed. Thus I paid the bill from the Town Accountant budget. I am monitoring the budget to determine the amount that will be needed, as if there are savings in the budget that do not necessitate the full amount be transferred, only the projected shortfall will be requested.

You will note \$33,826.73 in unallocated receipts. This is from the Host Agreement payment from Ganesh Retail. This is a holding account until I am able to properly account for the funds. A bit of research is needed to determine its proper treatment.

Please ensure these reports and this message are shared with the Finance Committee members. Ray, I will be compiling the special Sewer Enterprise quarterly report thru 3-31-210 for the FinComm as soon as my workload allows. The Sewer Accounts are included in the monthly reports so you do have the most up to date info, just in a different format than the quarterly report.

If you have any questions, or need anything further, please do not hesitate to contact me.

Regards, Leslie

INTER-OFFICE MEMORANDUM

To: Nancy Lucier, Administrator Cheryl St. Louis, Town Treasurer/Collector Leslie Guertin, Town Accountant Cc: Date: April 1, 2021 Subject: Veterans' Service Office Executive Summary for the month of March 2021

VETERANS, WIDOWS AND FAMILIES SERVED

The month of March 2021, the Veterans' Service Office concluded with West Boylston serving only Nine Veterans/Widows/Families, with Massachusetts State Veterans Benefits.

The Veterans' Service Department is budgeted for FY2020 at \$120,000 or \$10,000 per month as an average expenditure. I believe that this is GROSSLY overstated. Using FY 2019 performance, I do not expect that the Veterans Service Department will spend more than \$6,500 per month (as long as the number of beneficiaries does not significantly change). This forecast includes the total of both fixed and variable costs (reimbursements of monthly medical co-pays).

FISCAL YEAR 2020	Y-T-D TOTAL DISBURSEMENTS (Thru 04/01/2021)	AVERAGE PAY-OUT PER MONTH	STATE REIMBURSEMENT (Thru 04/01/2021)
07/01/2020 to 06/30/2021	\$48,319.12	\$5,368.79	\$36,239.34

[Reimbursement distributions are made by the state on a quarterly basis]

Year-to-date, West Boylston Veteran benefits/distributions are **FAVORABLE** to the FY2021budget by \$5,368.79 (after 9 months).

Projections for FY2020

	<u>Monthly</u>	Annualized
FY2020 Veterans Service BUDGET	\$ 10,000.00	\$ 120,000.00
Actual YTD Spend (Monthly Average)	\$ 5,368.79	\$ 36,239.34
YTD Cumulative Surplus or (Deficit)	\$ 4,631.21	\$ 83,760.66

Assuming that the number of Veterans qualifying for benefits does not significantly change from the present enrollment of eleven during final month of FY2020, it is projected that the Department will complete the year approximately 40.27% UNDER budget.

LOOKING FORWARD

Hello everyone. This has been a good month. All caught up with fixing the monthly veterans financials. So, I am on point once again. Nothing more to report. Have a good month everyone.

Respectfully,
