Joyce went over qualifications as to what we are seeking in applicants
character is biggest factor perhaps

Joyce, Bernie + Janet chose #3
Karen chose #6

H.S.
recipient

#3 is recipient of high school student award i.e. Kayla Mead

#1 is Molly Kraus but we won't list all the non-recipients

Joyce will find out who the adult recipient was from Nancy Lucier

Bernie suggests that we "...may..." instead of "...shall..." give to a particular sector

Karen believes Monica O'Brien is the adult recipient for 2019 as she goes to B.C. + wants to go to med school

- Pg 3 of 3 -

Last year we limited the scholarships to two (2) - i.e. one senior + one adult

Joyce confirmed Monica O'Brien was the adult recipient
